

Resolution 3-21: An Effective Solution for Control of Richardson Ground Squirrels in Alberta

Alberta continues to advocate for strychnine be reinstated for Richardson's Ground Squirrel control. In fall 2020, Alberta submitted a Notice of Objection to Pest Management Regulatory Agency (PMRA) for the de-certification of Strychnine. In March 2021, the PMRA informed AF that the re-evaluation decision was still under internal review following delays in completing the assessment.
